A termly insight into careers activities at Oakley College and Local Labour Market Information

Careers Newsletter

Introduction to Oakley College Careers Newsletter

Each term, Oakley College's careers team will send out a careers newsletter with updates on careers activities, workplace visits and recent job vacancies within the local labour market. The newsletter will also include learners' success stories, achievements with internal work placements and other achievements we want to share with parents, carers, teachers and learners.

To find out more information on what careers activities and events Oakley College learners will be doing throughout the year. Check out our Careers Programme on the Oakley College website.

The Careers Programme follows advice and guidance from the 8 Gatsby Benchmarks.
