

What a busy week it has been here in M1!

This week we have taken part in a variety of activities to “welcome in the spring” and to help us celebrate the up-and-coming Mothering Sunday.

We also took great advantage of the lovely spring sunshine earlier this week with some mid-morning dog walks, walks to Sainsbury’s and an “evidence of spring” walk around the college grounds. The sun was shining in a bright blue the sky, the grass had been freshly cut and the daffodils were growing nicely...

Truly beautiful.

Term 4 week 3
(8th -11th March).

Our friend Lewis from M2 came and joined us in our cooking session this week. It was great for George and Harvey to show Lewis how we make our pizza and more importantly, Lewis got to taste how wonderful our pizzas truly are.

Harvey has enjoyed...

Our art activities which included making a spring poster and a Mother's Day card. Harvey joined us in the "spill the beans" café and got involved with making toast and coffee during our independent living skills/social time sessions. Harvey especially enjoyed making some love heart short breads that he got to take home for Mum.
